

Key West FLORIDA

1:100 000-scale *metric*
topographic map

30 X 60 MINUTE QUADRANGLE
SHOWING

- Contours and elevations
in meters
- Highways, roads and other
manmade structures
- Water features
- Woodland areas
- Geographic names

GEOLOGICAL SURVEY

1983

Produced by the United States Geological Survey

Compiled from USGS 1:24 000-scale topographic maps dated 1971-1972. Planimetry revised from aerial photographs taken 1979-1980 and other source data. Revised information not field checked. Map edited 1983.

Projection and 10 000-meter grid, zone 17, Universal Transverse Mercator 23 000-foot grid, based on Florida coordinate system, east zone 1927 North American Datum. To place on the projected North American Datum 1983 move the projection lines 43 meters south and 18 meters west.

Oblique projection survey data, shown in red, furnished by the Minerals Management Service. Heavy lines indicate limits of Outer Continental Shelf Official Protection Diagrams dated October 24, 1978, and January 29, 1979. The protection on this map are not for Federal leasing purposes. For such purposes, refer to the 1:250 000-scale OCS Official Protection Diagrams available from the Minerals Management Service.

There may be private inholdings within the boundaries of the National or State reservations shown on this map.
